EDUCATION

- JD, Dalhousie University, 1999
- MSc (Physics), McGill University, 1996
- BSc (w. Hon.) (Physics), Dalhousie University, 1993

PROFESSIONAL QUALIFICATIONS

- Registration to Practice Before the USPTO, 2013
- Canadian Patent Agent, 2005
- Called to the Bar of Ontario, 2001

Colin has over 20 years of experience providing IP services to clients in the high-tech and electrical sectors. His practice includes the preparation and prosecution of patent applications in subject matter areas including:

- Semiconductors
- Photonics
- OLED Display Technology
- Optical, Wired, and Wireless Networking Systems
- Various other hardware and software systems

His specialty is in providing focused and in-depth IP servicing and management of small to midsize patent portfolios of SMEs in various industries.
