### EDUCATION

- BEng, Carleton University, 1988

### AWARDS & RECOGNITION

- Marie Morency Prize winner for Patent Drafting on the 1992 Patent Agent Qualifying Exam.
- Registered Canadian and United States Patent Agent

Doug has extensive experience in all areas of intellectual property, including patents and industrial designs. Doug specializes in patent drafting and prosecution, with a focus on start-up innovation and protection. Doug has helped develop patent portfolios for small, medium and large sized optics companies.

Over the last 30 years Doug's clients have included start-ups, universities, research institutions, entrepreneurs and multinational corporations. Doug counsels clients on technologies including:

- Optical filters; Optical switching; Piezoelectric devices; and
- Exercise, mobility and sports equipment.
